MEMORANDUM FOR: Assistant Deputy Director (Support)

SUBJECT: (1) Proposed Regulation No. [REDACTED], Competitive Promotion
(2) Proposed Handbook No. [REDACTED], Same Subject

25X1A

25X1A

1. On 7 November, the Director of Personnel sent forward to the DD/S subject regulation and handbook attaching concurrences from the members of the CIA Career Council and also attaching concurrences from the Comptroller, Director of Security and the General Counsel. Simultaneously, I addressed memoranda to the members of the Council, dated 7 November, transmitting to them for their information the actual text of the regulation and the handbook as prepared for the printer. Editorial changes had been made subsequent to the formal concurrences referred to above.

2. Please note that final action on these regulatory issuances was started on 7 November. The Council approved the procedure which is now in effect on 8 November. This accounts for what may appear to be a discrepancy in procedure for handling issuances that have been considered by the Council.

3. This memorandum is to confirm to you that each member of the CIA Career Council has orally replied to my memorandum of 7 November confirming the fact that the proposed editorial changes are acceptable and are still covered by the original formal concurrences which have already been transmitted to you. It would appear, then, that there is no reason why the regulation and handbook should not be printed forthwith.
